

WHITEPAPER

V3 - 01/27/22

PARA.GLOBAL

PARA TOKEN

NO HOLDER LEFT BEHIND!

The Only token not wanting to leave earth. Just like our Para Military Forces, Para is tough as nails, will never back down from a fight, and will always fight for those who can't fight for themselves.

Rather than wanting to go to the Moon or Mars, Para is here to make unprecedented advances on earth (where we actually live and fight for survival everyday).

HOLDER PROTECTIONS

We are attempting to have 50% of the liquidity locked for 100 years to ensure a solid, untouchable liquidity base forever... remaining 50% locked for 1 year with renewable locks.

WHALE DRAIN PROTECTION:

Token amount limit withdrawal per transaction
(This limit will be increased in the future when our market cap goes parabolic and larger transactions are required.)

TAX WALLET TRANSPARENCY:

All tax wallets clearly marked on Etherscan to allow Holders to track transaction activity

DEV TOKEN LIMIT:

1.5% Max Dev Wallet

FULLY DOXXED DEV TEAM

DISCLAIMER

The information shared in this White Paper and its contents do not, and are not intended to, represent or form any part of, an offer for sale, prospectus or invitation to subscribe for or purchase tokens. The primary purpose of this White Paper is to provide potential token holders with the necessary information to make an informed decision.

Prior to your participation in the purchase of Para Tokens, we strongly advise a careful study of this White Paper and all the documents associated with the same, including the contract in relation to the purchase of the same. Before purchasing tokens, potential purchasers are strongly advised to seek professional investment advice.

Certain statements featured in this whitepaper are forward-looking statements that are based on and take into consideration certain known and unknown contingencies and risks which may cause the estimated results or may differ factually and substantially from the featured estimates or results extrapolated or expressed in such forward-looking statements.

No representations or warranties have been made to any recipient of this White Paper or their advisors as to the completeness or accuracy of the statements, information, opinions or matters. (express or implied) arising out of, contained in, or derived from this White Paper or any omission from this document or of and other written or oral information or opinions provided now or in the future to any interested party or their advisors.
